

AWARDS COMMITTEE

The first ever Awards Committee has been established in order for outstanding personnel to be recognized. It is the function of the Awards Committee to fairly apply the selection process in order to pick from candidates submitted by other Department members. The Committee also has the responsibility of organizing the Annual Awards Banquet. The first Annual Awards Banquet took place in January 2006 was sponsored by Terre Haute First National Bank and was a huge success. The Awards Committee expects to have a presentation that even hopes to improve on that success for 2007.
